

**ASYCUDA PRESENTATION
TO
THE MINISTRY OF COMMERCE AND THE TRADE COMMUNITY**

(Kabul, Afghanistan - 24 January 2006)

The ASYCUDA presentation to the Afghan Ministry of Commerce and the trade community was delivered by the ASYCUDA Project Team of the Afghan Customs Department (ACD) supported by the UNCTAD/ASYCUDA Experts.

The presentation was followed by open discussions, in particular with the participants from the Afghan freight forwarding companies.

The meeting was much appreciated by the participants. Awareness sessions have been organised in the ACD customs houses and will continue will be organised in all main ACD Customs houses.
