

**ASYCUDA MISSION
TO
ISLAM QALA CUSTOMS OFFICE**

(02 - 03 August 2006)

The ASYCUDA++ Transit System was successfully implemented on the 1st transit axis: Tokham (border with Pakistan) - Jalalabad - Kabul. The ASYCUDA Project Team of the Afghan Customs Department (ACD) will continue the implementation of the system on the 2nd transit axis: Islam Qala (border with Iran) - Herat - Kabul.

In this context, the ACD ASYCUDA Project Team and the UNCTAD/ASYCUDA experts have undertaken a final review of the Islam Qala Customs Office prior to the implementation of the system.
