

## ASYCUDA RISK-MANAGEMENT TRAINING COURSE

The ASYCUDA Risk-Management Training Course for the Albanian Customs' (ACA) Intelligence and Anti-smuggling Departments was organised in the ACA headquarters in Tirana. This very interactive-oriented training course was highly appreciated by the participants. It is only the first event in a planned series of seminars/workshops aiming at enhancing the ACA operational capacity, in general, and the Enforcement function, in particular.

*Mr R.Holler, UNCTAD Risk-Management Trainer (left) and Mr C.Ciuta, ASYCUDA Customs Adviser*

*Mr A.Pilika, ASYCUDA Project Manager (right), introducing Mr R.Holler and Mr C.Ciuta*
