

# ASYCUDAWorld TRANSIT TRAINING SESSIONS (August 2008)

A series of training events and awareness sessions have been organised by the Albanian Customs Administration (ACA), in the preparation for the operational launch of the ASYCUDAWorld Transit System nationwide. This included:

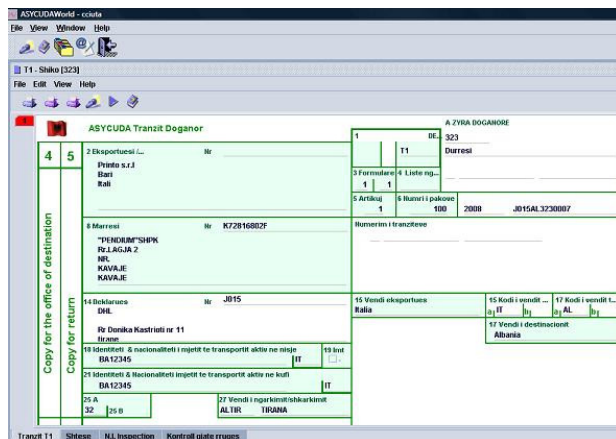

- Training sessions with ACA staff on steps in the nationwide implementation of AW Transit;
- Awareness meetings for Trade.

The participants in these training events:

- Approx. 20 staff from the ACA headquarters and the main Customs Houses (Heads of departments, units and Customs Houses);
- Approx. 30 participants from 20 Customs Broker agencies.

In preparation for the implementation of the AW DPS (Declaration Processing System) several workshops have been organised in the ACA headquarters on the following subjects:

- Definition of ACA detailed requirements for implementation of AW in Albania,
- Elaboration of ACA strategy regarding the implementation of AW CDPS.

All Heads of ACA Departments and Units have participated in these workshops, e.g. Tariff, Origin & Valuation, Post-Clearance Control, Customs Procedures, Statistics etc.
