

**ASYCUDA TECHNICAL MEETING**  
**SARAJEVO, BOSNIA AND HERZEGOVINA**  
(18-20 April 2005)

An ASYCUDA technical meeting was held in Sarajevo, in the period 18 – 20 April 2005, on

- ⇒ the migration from ASYCUDA++ Ver 1.16 to ASYCUDA++ Ver 1.18 and
- ⇒ the preparation for ASYCUDAWorld.

The standard migration activities are much more labourious in the particularly complex environment in Bosnia and Herzegovina: ASYCUDA++ multi-language (Bosnian, Croatian and Serbian) and multi-alphabet (Cyrillic and Latin).

The participants in this exercise have been Messrs D.Wright - Senior Customs Adviser / Team Leader, M. Popazov – Senior IT Adviser and P.A. Siman – Senior IT Adviser / ASYCUDAWorld Project in Moldova from UNCTAD and Mr. D. Gowland from CAFAO.
