

## ASYCUDA TECHNICAL AND CO-ORDINATION MEETING INDIRECT TAX ADMINISTRATION, UNCTAD

(05 – 07 September 2005, Geneva)

The Indirect Tax Authority (ITA) in Bosnia and Herzegovina had several top-level co-ordination and technical meetings with UNCTAD/ASYCUDA Programme, in the UNCTAD premises in Geneva.

The main topics addressed in these meetings were

- the current status of the Customs computerisation in Bosnia and Herzegovina and the ITA priorities in this area of the Customs business;
- the recent ASYCUDA developments and future activities, with specific focus on the European region;
- agreement on future ASYCUDA activities and planning, in the framework of the agreement signed between the European Commission and UNCTAD.

The ITA delegation was also provided with an ASYCUDAWorld technical and functional presentation (*Mission Agenda attached*).
