

# ASYCUDA RISK-ASSESSMENT SEMINAR FOR THE NETHERLAND ANTILLES

(08 – 09 March 2006, Willemstad, Curacao)

In the framework of the ASYCUDA Migration Project in the Nederland Antilles, the Customs & Excises Department and UNCTAD/ASYCUDA Programme have organised a seminar on ASYCUDA Risk-assessment and Selectivity

More than twenty enforcement, customs control and surveillance specialists from Curaçao and Bonaire attended the seminar. The training was delivered by Mr Bruno Favaro, Senior Customs Analyst, from UNCTAD/ASYCUDA Programme.

At the end of the seminar, Mr. Chow Lin Soon, Deputy Commissioner of Customs of the Nederland Antilles, has awarded the participants with UNCTAD Certificates of Attendance.
