

## ASYCUDA RISK-MANAGEMENT TRAINING COURSE FOR THE GEORGIAN STATE REVENUE SERVICE

(Geneva, 05-08 November 2007)

Representatives of the Risk Analysis Unit, the Customs Control Department and the ASYCUDAWorld Project Team of the Georgian State Revenue Service (SRS) have participated in a four-day ASYCUDA Risk-Management Training Course, prior to the nationwide implementation of risk-management, scheduled for 01 December 2007.

The training course, kindly funded by the USAID/Climate Business Reform Project, was organised in the UNCTAD premises in Geneva.

The UNCTAD/ASYCUDA Program trainers have particularly appreciated the participative and committed attitude of the SRS participants.
