

ASYCUDAWORLD TRANSIT SYSTEM FULLY OPERATIONAL AT NATIONAL LEVEL

(24 October 2007)

The ASYCUDAWorld Transit System was launched by the Georgian State Revenue Service (SRS) in live operations at national level on 24 October 2007 (*please see ASYCUDAWorld Implementation Map below*). The system inter-operates at this stage with the ASYCUDA++ DPS (Declaration Processing System) in 27 Customs Offices and with ASYCUDAWorld DPS in one Customs site.

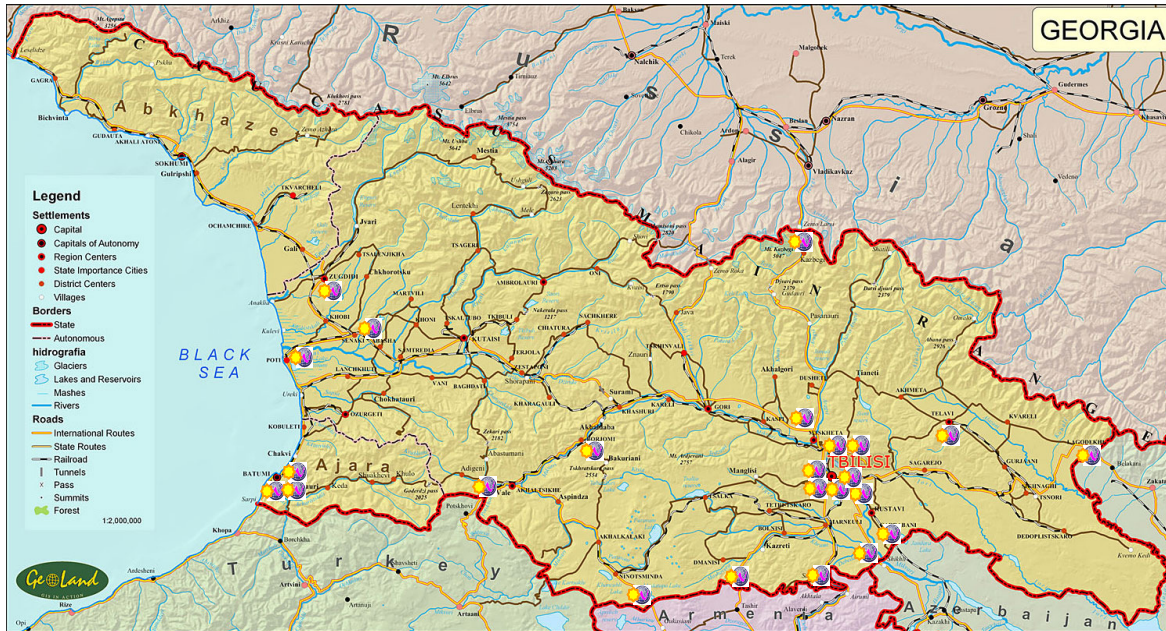

The SRS ASYCUDAWorld Project Team has trained more than 700 Customs officers on the operation of the ASYCUDAWorld Transit System/e-Document.
