

ASYCUDA TECHNICAL MEETING

(Geneva, 12 – 13 May 2005)

An ASYCUDA technical meeting Romanian National Customs Authority (RNCA) - UNCTAD was held in Geneva, on 12 and 13 May 2005, on the following subjects:

- ASYCUDA Ver.1.18b - EU version, TARIC compatible
- ASYCUDA Ver.1.18d - EU version, compatible with the Commission Regulation (EC) No 2286/2003 (new SAD)
- Implementation of TARIC in the ASYCUDA Ver 1.18 environment.

From the RNCA the participants were Mr A. Costin - Director IT & Statistics, Ms E. Ionescu - Head of IT Development Department, and Ms A. Macovei and Mr S. Sandu - Experts.

UNCTAD was represented by Messrs B. Favaro - Senior Customs Analyst and J. David - Senior ASYCUDA IT Expert.

The meeting was also attended by ASYCUDA and TARIC specialists working currently with the Romanian Customs.

The technical meeting was appreciated as very fruitful by both the RNCA and UNCTAD representatives. The Romanian Customs was provided with

- the last version of ASYCUDA Ver 1.18 and its source code,
- the inventory of the ASYCUDA modifications brought by the implementation of the EC No 2286/2003 and
- the methodology/procedure for the migration from a decentralised architecture to a centralised one.
