Mr G.S. Diaconu - Vice-President RNAFA*

The delegations focused on areas of common interest for the two customs administrations, i.e.

- Enhancement of legal framework governing the co-operation between the two organisations
- Exchange of information for operational, enforcement and statistical purposes
- Provision of technical assistance in the areas of customs and customs-related legislation, origin of goods, protection of intellectual property and fight against counterfeit goods.

A particular attention was dedicated during this visit to AYCUDAWorld implementation in the Republic of Moldova, including the technical and implementation solutions and the achievements so far.
